

2024 WVSFA CONVENTION

HOSTED BY BOONE AND LINCOLN COUNTY FIREFIGHTERS ASSOCIATIONS

2024 WVSFA Convention Committee –

Convention Sponsorship Form

The West Virginia State Firemen's Association (WVSFA) is the largest organization in the state, representing all West Virginia firefighters at the local, state and national levels. It is the WVSFA's mission to organize and promote unity among firefighters in the State of West Virginia. It is also our goal to initiate and maintain an active participation in all aspects of the fire service including training, education, fire prevention, law and legislative action. The WVSFA aims to promote camaraderie, support and common ground between active and retired firefighters, both volunteer and career.

Each year, the WVSFA holds an annual convention, assembling representatives from fire departments all around the state. The convention allows opportunity to appoint association leadership and determine the objectives and legislation the organization will strive for in the coming year. In 2024 the convention will be hosted by departments in Boone & Lincoln Counties. Our aim is to secure the funding to host an educational and productive convention, with as little cost to the attending members as possible. We would like to ask your commitment in supporting us in achieving our goal!

We are offering four options to show your support and sponsorship of the 2024 WFSFA Convention and the host committee. All donation options are tax deductible.
