Convention Sponsorship Form

The West Virginia State Firemen’s Association is the largest organization in the state, representation all West Virginia firefighters at the local, state and national levels. It is the WVSFA’s mission to organize and promote unity among firefighters in the State of West Virginia. It is also our goal to initiate and maintain an active participation in all aspects of the fire service including training, education, fire prevention, law and legislative action. The WVSFA aims to promote camaraderie, support and common ground between active and retired firefighters, both volunteer and career.

Each year, the WVSFA holds an annual convention, assembling representatives from departments all around the state. The convention allows opportunity to appoint association leadership and determine the objectives and legislation the organization will strive for in the coming year. In 2019, the convention will be hosted by the Citizens Fire Company, Jefferson County, WV. Our aim is to secure the funding to host an educational and productive convention, with as little cost to the attending members as possible. We would like to ask your commitment in supporting us in achieving our goal!

We are offering several advertisement options to show your support and sponsorship of the 2019 WVSFA Convention and the host committee, via advertisement in the convention program. All donation options are tax deductible.
